

REPORT OF THOROUGH EXAMINATION

This report complies with the requirements of the Lifting Operations and Lifting Equipment Regulations 1998

Date of Thorough Examination: 27/03/2023		Date of Report: 27/03/2023		Report number: ALS1850-11		PO: 42114	
Name and Address of client for whom the thorough examination was made: BLUE MANTA 5 KIRKTON AVENUE, PITMEDDEN IND. ESTATE DYCE, ABERDEEN, AB21 0BF				Address of premises at which the examination was made: ABERDEEN LIFTING SERVICES HOWE MOSS CRESCENT DYCE			
Description and identification of the equipment:				Safe Working Load(s):		Date of manufacture if known:	
				Date of last thorough examination/Previous test details:			
5 x SAFETY PIN BOW SHACKLES BATCH No: BG6, 6BX ID No: 102/A TO 106/A				9.5 TON		VAN BEEST 80192984 01/2020	

Is this the first examination after installation or assembly at a new site or location?				Was the examination carried out:			
				Within an interval of 6 months?			
If the answer to the above question is YES has the equipment been installed correctly?				Within an interval of 12 months?			
				In accordance with an examination scheme?			
				After the occurrence of exceptional circumstances?			

Particulars of any tests carried out as part of the examination: (If none state NONE) NONE							
Identification of any part found to have a defect which is or could become a danger to persons and a description of the defect:: (If none state NONE) NONE							
Is the above an existing or imminent danger to persons *Note-This is a reportable defect						YES	NO
Is the above a defect which is not yet but could become a danger to persons: (If YES state the date by when)						YES by:	
Particulars of any repair, renewal or alteration required to remedy the defect identified above: NONE							
IS THIS EQUIPMENT SAFE TO OPERATE?						YES	NO

---	--	-------------------------

The certificate and/or declarations issued by the manufacturer are held on file at our offices and can be made available to an appropriate enforcing authority if they make such a request.

I hereby certify that the above information is correct and that the equipment has been tested and/or thereafter examined in accordance with the appropriate provisions and is found to be free from any defect likely to affect safety. I hereby declare that these products can be used as part of a UKCA/CE marked lifting Assembly but must only be put into service when the complete Assembly complies with the relevant essential health and safety requirements of the Machinery Directive 2006/42/EC and Supply of Machinery (Safety) Regulations 2008. Where an item is to be used in abnormal conditions or for arduous duties reference should be made to the manufacturer before use. Failure to do so may absolve the manufacturer from his responsibility under Section 6 of the Health & Safety At Work Act 1974.
